

**We are ready to serve you!**

# **ISANS Employment Services**

**Our services are available by phone, email, or online.**

Are you looking for work?

Are you interested in attending online training to work towards your career goals?

Do you need help applying for financial support?

Do you have any questions about your safety on the job?

You can meet with our Employment Team online or over the phone to:

- Get online job search support with resumes, cover letters, interview practice, and support with your employment goals
- Register for job search workshops or webinars
- Attend virtual study groups and training sessions for profession specific bridging programs including pharmacists, physicians, nurses, dentists, accountants and financial professionals, engineers, architects, and trades clients
- Learn about the Immigrant Youth Employability Program
- Participate in the Visible Minority Newcomer Women at Work program
- Apply for a financial loan through the Atlantic Immigrant Career Loan Fund (AICLF) to verify your credentials
- Enroll in online computer classes including: Excel, Word, Keyboarding, Google Docs, and Sage 50
- Receive support to apply for Employment Insurance, Canadian Emergency Response Benefit (CERB), Worker Emergency Bridge Fund, and Income Assistance
