

Immigration

It's our strength, it's our story.

IMMIGRANTS GROW OUR COMMUNITIES

Immigrants contribute to the growth of Canadian communities. Immigrants:

- help grow small and mid-sized communities in our province
- grow our volunteer base and strengthen our local communities
- strengthen our cultural vibrancy and experiences

Ask your candidate:

Please tell us your Party's position on immigration and refugees.

What will you and your party do to build a community where all can belong and grow?
